Together in Wotton

Christians worshipping & working together in Wotton under Edge

Pyramid Rock is the title of the 2017 Holiday Club, and yet again the children of Wotton will have the opportunity to take part.

The 5 day Club encounters Joseph (the one with the fine coat!), who trusted God despite all the adventures he went through. Joseph had a key role in God's BIG plan and the children at Holiday Club will discover that they too are part of God's plan.

Using material provided by Scripture Union, Karen Dover will, as always provide plenty to occupy the minds, spirits and bodies of the youngsters.

Karen says: "If anyone would like to come and help that would be amazing. Please contact me on 07770892323 or email karend@wottonbaptist.org.uk"

Churches Together in Wotton Forum will meet on Monday 10 July. If there is anything you think the churches could be doing together, or if you want anything discussed at the meeting, please speak to your church reps.

Christian Aid Week 2017

A big thank you to everyone who contributed to another successful Christian Aid Week in Wotton - collectors, contributors, cooks and customers.

The total raised so far from the shop, church service and street collection (excluding house to house collections which have not finally been counted), was £2249 which was on a par with last year.

Sadly the overall total is likely to be lower as there were far fewer collectors this year and this will be an area which the Christian Aid Committee in Wotton will be looking at as they plan for 2018.

United Ramblers is a walking group which started at the United Church several years ago. It is well-established, and the regular walkers come from all the town's churches - so the name 'United' has gone beyond its original purpose!

In addition, the walkers get together for a Christmas meal in December.

All are invited: contact the leader if you wish to know more, or if you are confident you can handle stiles, hills and a pub lunch (!), just roll-up outside the United Church in Bradley Street at 10am on the first Monday of the month.
